### TO BET YOUR MONEY

Lebanon Democrat Willing To  
Wager \$2,000

### ON RESULT IN KENTUCKY.

Hon. H. P. Cooper, a prominent Democrat, lawyer and politician of Lebanon, has offered to wager \$1,000 that the Democrats will carry the State of Kentucky in the coming November election. In addition to this he says he will bet another \$1,000 that the Democrats will carry the State by at least 10,000 majority. The bet must be taken jointly. As yet he hasn't found any takers.

After many intricate experiments, scientists have discovered methods for obtaining all the natural digestants. These have been combined in the proportion found in the human body and united with substances that build up the digestive organs, making a compound called Kodol Dyspepsia Cure. It digests what you eat and allows all dyspepsias to eat plenty of nourishing food while the stomach troubles are being radically cured by the medical agents it contains. It is pleasant to take and will give quick relief.

For sale by F. C. DUKERSON, druggist.

### Foley's Kidney Cure

Is a pure medicine, and contains in concentrated form, remedies recognized by the most skillful of the medical profession as the most effective agents for the cure of kidney and bladder diseases.

Sold by F. C. DUKERSON, druggist.

### HORSE AND TRACK.

Star Pointer 1:54 1/2 is assessed by the tax commissioners of Cleveland for \$6,950.

Conner 2:05 1/2 has won during his career 101 heats in standard time at the pace, and also has credit of 21 heats at the trot.

Emma Winters 2:15 is the first of the get of Directum 2:05 1/2 to enter the 2:20 list. She is also the fastest three year-old trotting filly of the year so far.

The fast pacer Charley Hoyt 2:07 1/2 was sold at a New York sale last winter for \$450 and at the opening of the Grand Circuit at Detroit was sold for \$5,000.

The bay pacing stallion Dave Row land 2:17 1/2 by Gambetta Wilkes, has been sold by John Sellers, Lexington, O., to D. W. Stein, Brooklyn, N. Y., for \$1,000.

Twenty-nine trotters and twenty-one pacers won \$1,000 and more the first five weeks of the Grand Circuit. Lady Geraldine heads the list with \$5,250 to her credit.

Boralus has accomplished more than any other trotter ever on the turf. He has not been beaten in the last two campaigns, and this year, as a four-year-old, he has raced on the Grand Circuit in the aged, fast classes. He has now won nine consecutive races and earned \$20,950.—American Sportsman.

Dr. W. F. Dickerson's good green four-year-old gelding Eubrick by Warlock continues to improve in his work, and recently he trotted a mile in 2:20. This is great work for the young fellow, as his training has been very limited. He is expected to beat 2:15 before the season is ended.

With twelve great stakes, aggregating \$50,000, which closed in June, and the seventeen purses now open, to close September 15, the program for the fall meeting of the Kentucky Trotting Horse Breeders' Association should be the grandest in its history. Every conceivable class, from the fastest to the slowest, is provided for, and all for very rich purses, the open class being for \$1,000 or over each. Secretary Wilson announces that the Kentucky Futurity to be trotted this year closed in 1897, when the N. T. A. distance rule was 150 and 100 yards, and that the distance in the Futurity this fall will conform to that rule. The Lexington Association is the only one in the world that has the distinction of barring hoppers.

### LAND, STOCK AND CROP.

A. G. V. Cook, of Flat Creek, sold 35 expert cattle to Simon Well, average weight 1500 pounds, at \$16.

The corn crop in the United States will be the largest ever harvested. It is estimated at 2,350,770,000 bushels. W. C. Terhune, of Harrodsburg, Ky., bought and shipped from the place, August 6, forty-two head of mule colts that cost on an average \$26.20. Mr. Terhune also bought and shipped from Lawrenceburg, Ky., August 20, forty-three head of mule and horse colts that cost an average of \$27. They were all shipped to the Eastern market.—Farmers Home Journal.

"I had a running sore on my leg for several years," writes Mrs. Jas. Forest of Chippewa Falls, Wis., "and spent hundreds of dollars in trying to get it healed. Two boxes of Baner Salve entirely cured it."

Sold by F. C. DUKERSON, druggist.

### Salve!

Who hath we? Who hath sorrow? Who hath contentions? Who hath habbiling? Who hath wounds without cause? Who hath redness of eyes?

He that seeketh the postoffice at 5 o'clock in the morning. He who printeth a piece in his paper reflecting upon a fat man.—Paris Gazette.

In the Bullitt Circuit Court at Shepherdsville a jury awarded J. M. Carothers damages in the sum of \$15,000 against the Louisville and Nashville railroad for the death of Mr. Carothers in the Gap-in-Knob wreck last Christmas.

## The Delicious Fragrance

from a hot  
Royal Baking  
Powder biscuit  
whets the  
appetite. The  
taste of such  
a biscuit—  
sweet, creamy,  
delicate and  
crispy—is a joy  
to the most  
fastidious.

ROYAL Baking Powder improves the flavor and adds to the healthfulness of all risen flour-foods. It renders the biscuit, bread and cake more digestible and nutritious. Royal Baking Powder makes hot breads wholesome. Food raised with Royal will not distress persons of delicate or enfeebled digestion, though eaten warm and fresh.

Imitation baking powders almost invariably contain alum. Alum makes the food unwholesome.

## WEST VIRGINIA

We are Expecting Much of West  
Virginia

SAID MR. BRYAN.

The Republican party is drifting away from the people's interest. You are at liberty to decide whether the conditions are such as you like, and if not, what reforms can improve them. I believe the Republican party is more than ever placing the dollar above the man; that instead of regarding the man a man and deserving of what consideration the Government gives, the Republican party is giving all and encouragement to organized wealth, measuring men not by their national right, but their financial standing.

### May Strike.

Six small mining companies in the Middleboro, Jellico and Coal Creek districts have increased their miners' wages, but not commensurate with the union demands. Operators of the large mines show no disposition to grant an increase and indications are for a strike.

## Total Abstinence from Alcoholic Drinks.

By the acts of the national Congress and forty-one States the children in the public schools of almost the entire country are required to be taught as a part of general hygiene the physiological reasons for total abstinence from alcoholic drinks and other narcotics. These laws need to be faithfully enforced. If they are, the sixteen million children now of school age under these laws in the United States will receive an intelligent temperance education, and we may expect in the near future the well-nigh universal total abstinence which will settle all other phases of the temperance question. Some one in every community must watch with ceaseless vigilance to make sure that these laws are enforced, and that the children are not robbed of the warning education which is the legal right.

The law holds both maker and circulator of a counterfeit equally guilty. The dealer who sells you a dangerous counterfeit of DeWitt's Witch Hazel Salve risks your life to make a little larger profit. You cannot trust him. DeWitt's is the only genuine and original Witch Hazel Salve, a well known cure for piles and all skin diseases. See that your dealer gives you DeWitt's Salve.

## MR. SEWALL IS DEAD

The Democratic Leader of Maine

Succumbs to Apoplexy.

UNCONSCIOUS TO THE LAST.

Mr. Arthur Sewall, candidate for Vice-President in 1896 on the ticket headed by W. J. Bryan, died at his summer home, Small Point, near Bath, Me., on Tuesday morning at 8:30 o'clock. He suffered a stroke of apoplexy on Sunday. He was 64 yrs. old.

Mr. Sewall had not been in good health for some time, although he was not considered to be seriously ill. He had been advised by his physician to rest, as early as last June, and he attended the Democratic National Convention in July against the advice of his doctor. He appeared to have suffered no ill effects from the journey, however, and was passing this summer quietly at Small Point when the fatal stroke seized him. The unconsciousness which followed the attack continued until death came.

Arthur Sewall was born in Bath, Me., in November, 1835. His father, W. D. Sewall, for years was prominent as a shipbuilder, and the son followed himself for the same trade. In 1855, by forming the partnership of E. & A. Sewall, he continued the calling of one of the oldest shipbuilding families in Maine.

Upon the death of his brother, Edward Sewall, the firm of Arthur Sewall & Co. was formed, and the corporation now controls one of the largest of American sailing fleets. Mr. Sewall also was one of the prominent railroad men of New England. For nine years he was President of the Eastern railroad until it was absorbed by the Boston & Maine.

For many years he was the Maine representative on the Democratic National Committee, and in 1896 he was made the choice of his party for Vice President.

Mr. Sewall is survived by two sons, Harold M. Sewall, who was stationed by the government at Hawaii, and Wm. D. Sewall, who is in business in Bath.

Ulcers, open or obstinate sores, scalds and piles, quickly cured by Banner Salve, the most healing medicine in the world.

Sold by F. C. DUKERSON, druggist.

### Oliver Scott's Big Minstrel.

The band and orchestra with Oliver Scott's Big Minstrel is not by any means one of the least important features. It can be said without fear of contradiction, that it is the best colored musical organization ever put together. Mr. R. N. Thompson, director of the band and orchestra, is an educated musician of great ability, and has an unusually good set of musicians under him. The trombone solos of Mr. Ralph Devise, and the cornet solos of Mr. Thompson are features of the everyday concert.

Galleries reserved for colored people, 25 and 35 cts. Lower floor, 35 and 50. At Grand Opera House Wednesday night, September 12.

### False Pretenses.

An Iowa young man not long ago proposed marriage to a young woman but hearing that her hair was false, declined to fulfill his engagement. She brought suit against him for breach of promise, but was unsuccessful on the ground that she won the young man's affections under false pretenses.

### No Relief For 20 Years.

"I had bronchitis for twenty years," said Mrs. Minerva Smith of Danville, Ill., "and at times have been bedridden. I never got relief until I had taken Foley's Honey and Tar. It is pleasant and gives quick relief, and is a sure cure for throat and lung diseases." Take nothing else.

Sold by F. C. DUKERSON, druggist.

The finest specimens of the cutest ponies in the world are in the possession of John Robinson and are a feature of his great circus.

## A Line From Josiah Davis.

Thursday, Aug. 30th, I got on the Jeffersonville stage and lit out for the Camp-meeting on the waters of Spruce, in the south-east corner of this county. Bros. Clayton, Ellis, Ozark, Carter and some women preachers, whose names I did not learn, were there, and their whole souls, bodies and spirits were preserved blameless into the coming of our Lord Jesus Christ. These laborers in the vineyard of the Lord have forsaken all the ties of earth and gone forth into the Lord's harvest fields, hunting for human sheaves, looking for their wages in a better, holier and happier land. They give their audiences a free lunch from the tables of the Lord, and they do so in such a sweet, cheerful, happy and confiding manner that the most skeptical, doubting, and self-righteous person that listens, cannot consistent with the teaching of our Saviour, find fault with them. They take the Scriptures for their Rule of Faith, and when preaching prove the Scriptures, read for a text by other Scriptures, and connect them so wide, that "a way-faring man, tho a fool, may not err therein." The New Testament contains five places where Saints, believers, etc., are commanded to greet one another with a holy kiss, or a kiss of love, or kiss of charity, and all the preachers in all the towns and country church houses seemed to have failed to see or believe these commands, but these Saints see them and practice them and they also obey the 13th chapter of St. John, by greeting themselves with a towel and pouring water into a bowl and washing one another's feet, and wiping them with the towel where-with they are girded, because the Master says: "As I, your Lord and Master, have washed your feet, ye ought also to wash one another's feet, for I have given you an example, that ye should do as I have done unto you, if ye know these things, happy are ye if ye do them." I have never seen a play ground filled with children that were happier countenances than did those feet washing Saints, while following the example set by the Saviour. These believers have no church record, but insist that they rejoice because their names are written in Heaven.

They make every one's religion a personal matter between them and their God—because "no man knoweth the things of a man save the spirit of the man that is in him," and every time one of them steps over into the Broad Road and stays over there till he wants to return to his first love, he is reinstated by being re-immersed in pure, running water. The Savior was baptized in the river Jordan, which is the swift running stream ever discovered, and He says to all that the Father draws to Him. "If any man will come after me, let him deny himself and take up his cross daily and follow me." That word "daily," would keep some of the present crop of preachers standing in the water all the time, if their laubs were as conscientious as these "Saints of God."

These lively members of the church of God are the plainest, neatest, most humble, God fearing people I has ever been my lot or privilege to hear or study, and although a sinner myself, I cannot help believing the religious world is revolving back to the days when preachers were scarce, and prayers of faith and oil were used by the elders of the Seven Churches to relieve the afflicted. Real glad to see some people that are bold enough to "step out on the promises and get under the blood," which cleanseth from all unrighteousness. They anointed some children and believers with oil and savoured it with sincere, hopeful prayers, thus fulfilling the 14th and 15th verses, 5th chapter of James. These Saints do not use anything of a stimulating nature. Neither coffee, tea, tobacco, opium or spirituous liquors of any kind. They took the emblems of His broken body and shed blood on Saturday,

immediately after getting through with washing one another's feet. "Let all things be done in decency and order," therefore the men washed the men's feet and the women washed the women's feet. They were separated from each other by a thick canvas. The devil had a whole gang of his fellows out there to find fault with the humble, sincere gospellers, but most of us were bad listeners and therefore we are poorly prepared to give a correct sound upon our trumpets.

JOSIAH DAVIS.

Via H. Maucker and Mr. Daniel have ordered their meeting and for their new mill at West Liberty.

Hon. D. D. Sawney, of Silverville, addressed a large group of Democrats and Republicans at the Court house Monday 2. "Good Deeds" was at his best and made a rattling good speech, explaining the difference between Jeffersonian expansion and McKinley imperialism.

H. C. Savage is a candidate for the office of Jailer of Morgan county. Mr. Savage is the present jail keeper under his father-in-law, Uncle Wm. Long, and has been attentive to the prisoners and other official duties. Has always been an unflinching Democrat, supporting the party and nominees.

The Sunday School Convention meets at West Liberty on Thursday. The welcome address will be by Finley E. Fogg. The following are the speakers: Matson Loxmy, Rev. E. E. Dawson, Dr. J. P. Woodward, O. W. Burns, Rev. S. J. Adams, Judge N. P. Womack, E. A. Fox, W. W. McGwire, C. W. Womack, Dr. F. M. Carter and F. C. Burton.

A mortgage given by the Morehead & West Liberty Railroad Co. to a Trust Co. of New York was put to record in our County Clerk's office last week. The mortgage is to secure the payment of \$600,000 worth of bonds, the proceeds of which are to be applied to building a railroad from Morehead to West Liberty. There were \$299.50 worth of revenue stamps on the mortgage. It now looks very much like we are to have a railroad. Those who profess to know say work will begin on it before the close of this month.

Miss Nannie Reed has returned from New York City where she has purchased an assorted stock suited to her trade. The goods are new. Novelty express it and are being received daily. Miss Reed found the market full of attractive styles, and the Novelty Store will have a goodly share of them.

# SYSTEMIC CATARRH.

Thousands Suffer From It and Do Not Know It.

Hon. A. T. Wimberly, Collector of the Port of New Orleans, La., and member of the National Republican Committee, in writing of Peruna, says:

"Peruna Drug Mfg. Co., Columbus, O.:—Gentlemen:—I have used Peruna and can gladly recommend it as being all you represent. I wish that every man who is in need of a good tonic could know of it. I would advise all such to take it now, and am sure it would never be regretted." A. T. Wimberly.

A constant drain of mucus from the system is known as systemic catarrh. This may occur from any organ of the body. Systemic catarrh is more common in spring and summer than in the winter.

Dr. Rachel A. Magaw, of West Jefferson Street, Springfield, Ohio: "Your Peruna is worth its weight in gold. I feel like a new woman. I can't praise it enough. I spent a great deal of money on doctors, but nothing ever did me any good until I sent to you and tried your Peruna. I now feel well of the catarrh."

Ralph W. Chulip, of La Porte, Ind., says the following as regards Peruna for catarrh: "I had been troubled with pasty eyes for some time. I became so bad a year and a half ago that I took treatment from two different specialists on catarrh. The discharge from my head was dreadful. Finally my stomach became affected, and eight months ago I had to quit work. I lost in weight from 135 pounds to 140. I was completely discouraged. I procured a bottle of Peruna and had not taken half the bottle, when, to my joy and surprise, I began feeling better. My head began to get better; the discharge began to drop. I kept on, and have now taken two bottles. I have vomited my work, have a good appetite, and have lost better in ten years. I am now 160, and I thank Peruna for the way I feel to-day."

## COMMENTS AND CRITICISMS.

Wherever Protestantism dies, it dies by suicide.

Pure life stand highest; pure doctrine stands first.

O dear Lord, how long thou givest us to get ready to live with thee!

One of the most striking characteristics of our times is our ability to talk.

When an enlightened conscience speaks, and vindicates us, we can defy the devil himself.

Nobility in life shows itself by strong attachment to those things which make life noble.

Lord, we do not pray to have the burden taken off; but only that thy hand may be placed under it.

"Thou shalt not take the name of the Lord thy God in vain." Rather say, "Hallowed be thy name."

David's faith in God saved his young arm to throw the fatal stone at the giant. Faith puts nerve into us.

Oh, what would become of us, if we did not have occasionally with us the answer of a good conscience?

The defeated meanness of some people spends itself in most persistent tears. Let such tears fall; do not run for the lacrymatory.

If there were such a thing as compulsion to sin, and I was obliged to teach higher criticism or sell liquor, I believe I should take out a licence.

Some people's homes are distributing points for all the low gossip in the community. When you are in such homes set a watch about your mouth.

One of the most perverted delights I know of is the delight of telling something low about a poor fellow creature—most of us have tasted this delight.

Give a faithful minister twenty-five men and women who deeply experience the work of the Holy Spirit in their hearts, and that minister will conquer, and conquer, and conquer.

We are taught to treat our enemies as men who still have a claim on us in God's sight; and it is strange that we actually fail to appreciate our enemies in the struggle of life.

A little man is one who either attacks great things and essential, or who stands by and applauds some one else in doing so. The higher critic is an example of the first kind, and the abjector of higher criticism is an example of the second.

One of the most pathetic things in our social life is the effort of a man, who has lost his good name in one community, to try persistently to regain it in some place there by showing his good record elsewhere. We need to take care lest we make this effort more difficult than the facts themselves make it.

—R. M. Raff, in Western Recorder.

"Could Not Sleep."

Sleeplessness marks the very climax of human suffering. It is only a step removed from insanity. When sleep no longer restores the exhausted nature, the struggle with disease cannot last long. The startling result of the nervous system, which produces ill health and sleeplessness, is generally a diseased condition of the woman's organs. Restore these organs to sound health and the appetite comes back, the day's work no longer wears, and sleep is sound and refreshing. Dr. Pierce's Favorite Prescription cures diseases of the woman's organs. It stops the drains which weaken women, it breaks the inflammation and ulceration, and cures female weakness.

There is no alcohol in "Favorite Prescription" and it is entirely free from opium, cocaine and all other narcotics. It is a temperance medicine.

"My health has been poor for many years and I had taken a great deal of medicine, but it did me no good," writes Mrs. Rose Kennedy, of Burlington Adams Co., Wis. "Last August my health was very poor. I had no appetite and could not sleep. Dr. Wm. D. Pierce and I were kindly advised me to take his 'Favorite Prescription.' I took five bottles of the 'Prescription' and one bottle of the 'Golden Medical Discovery,' and I feel like a new woman."

# BOILS AND CARBUNCLES

These unwelcome visitors usually appear in the spring or summer, when the blood is making an extra effort to free itself from the many impurities that during the winter months, lay dormant in the system.

Carbuncles, which are more painful and dangerous, come most frequently on the back of the neck, eating great holes in the flesh, exhaust the strength and often prove fatal. Boils are regarded by some people as blessings, and they patiently and uncomplainingly endure the pain and inconvenience under the mistaken idea that their health is being benefited, that their blood is too thick anyway, and this is Nature's plan of thinning it. The blood is not too rich or too thick, but is diseased—a full of poison—and unless relieved the entire system will suffer. The boil or carbuncle gives warning of serious internal troubles, which are only waiting for a favorable opportunity to develop. Many an old sore, running ulcer, even cancer, is the result of a neglected boil.

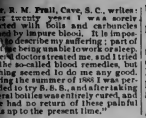

Keep the blood pure, and it will keep the skin clear of all the irritating impurities that cause these painful, disgusting diseases.

S. S. S. cures boils and carbuncles easily and permanently by reinforcing, purifying and building up the blood and ridding the system of all accumulated waste matter.

S. S. S. is made of roots and herbs which act directly on the blood, and all poisons, no matter how deep-seated, are soon overcome and driven out by this powerful purely vegetable medicine.

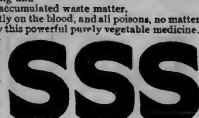

S. S. S. is not a new, untried remedy, but for fifty years has been curing all kinds of blood and skin diseases. It has cured thousands, and will cure you. It is a pleasant tonic as well as blood purifier—it improves the appetite and digestion, builds up your general health and keeps your blood in order.

Our physicians have made blood and skin diseases a life study—write them fully about your case, and any information or advice wanted will be cheerfully given. We make no charge whatever for this service. Send for our book on Blood and Skin Diseases—free. Address, The Swift Specific Co., Atlanta, Ga.

## Dangerous Carbuncles

### Bad on the Boy.

Jennie Clark, of Louisville, has torn out a warrant for the arrest of Edward Smallhouse, a member of a prominent Bowling Green family, charging grand larceny. The woman claims that Smallhouse has secured \$14,000 from her at various times. She alleges that he represented to her that he owned a farm near Bowling Green. She claims that \$100 of the money was actually stolen. The Clark woman also claims that Smallhouse promised to marry her. Smallhouse is well-known. His father is a banker.

### The First Cincinnati Fall Festival.

One Hundred Thousand Dollars have been set aside for the festivities of the Cincinnati Fall Festival, September 19-29. An Industrial Exposition will be the leading feature. All the famous permanent exposition buildings will be occupied. They cover over 100,000 square feet of space, and will be filled with new, novel, instructive and interesting exhibits. Cincinnati originated Industrial Expositions in the United States, and the present one promises to be more attractive and novel than ever before.

\$1,000 in Gold will be given for the best float in the great Trades and Manufacturers Parade. A gorgeous Flower Parade, the greatest spectacle ever witnessed in Cincinnati, will be a feature of the festival. The Plaza will cover both sides of the canal for many thousand feet, filled with novel entertainments from all parts of the world—a new and modern Midway Pleasure.

In the Great Springer Music Hall, one of the largest and most famous auditoriums in America, spectacular allegory will be given with grand cast and gorgeous scenery. New costumes and inspiring music.

The opening of the festival will be heralded by booming of cannon, ringing of bells, and the welcoming ceremonies in honor of the Harvest Queen, whose royal barge will be met on its way down the Ohio, and who will be escorted in grand state to a grand reception at Springer Hall.

Novel and elaborate fireworks display will be made from moving boats.

The Zoo, Coney Island, and other summer resorts will have special programs.

A day will be set apart for the Trades Unions of the city, and another day devoted to a Monster Athletic Carnival.

Cincinnati cordially invites her neighbors to participate in these festivities. Low rate excursions will be run daily via Queen & Crescent Route and other special excursions for days upon which especially interesting portions of the vast program of festivities and amusements take place.

### Come to Town one and All.

The impression prevails in the minds of some farmers and others that a restriction had been placed upon them by the City Council prohibiting them from selling vegetables, honey, eggs, fowls and other marketable goods. We are informed that no such restriction exists. Come to town and sell what you have.

The attraction at the Grand Opera House Wednesday night, September 12, will be Oliver Scott's Big Show—introducing a large and complete company of colored performers, singers, dancers and specialists. Mr. Scott will present a performance entirely different from any other colored company in America.

### Honor No. 1 Empty.

Chairman Leslie Combs, of the Republican State Committee, and Collector E. T. Franke have induced Will P. Scott, of Muhlenberg county, to decline further to seek the Republican nomination for Congress. This leaves a clear field for Wm. Lynch, the nominee of the Brown Democrats, who will now be endorsed by the Republicans.

### ATLANTA DAILY CONSTITUTION

Now Running a Special Campaign Offer, Only \$1.00.

The Constitution, of Atlanta, Ga., is now offering its Daily and Sunday editions complete to new subscribers from the date the order reaches that office until November 10th for only \$1.00. This last campaign offer will take the subscribers beyond and give him the full term of the presidential election. The period thus covered will be of unusual interest, not only because of the election and the questions pending thereon, but it will be full of events, and guesses at the truth of reported events in China. The struggle is on between the "yellow terrors" and the "foreign devil" and it will concern the world's attention for the months to come. It is probable that South Africa will become peaceful on a basis that will allow the spunky Boers to lay down their arms with honor. Cuba and the Philippines are with us until their status is determined their question will continue to be ours. The Constitution always covers all the news completely and this exceptional offer will double the test, there full capacity in supplying the paper to thousands of thirty subscribers. The sooner you send for it the longer you will get it for your dollar.

### Beld Over.

The examining trial of George F. Weaver, on charge of perjury, was closed at Georgetown, and Weaver was held to answer in the sum of \$350. He was unable to furnish bond and was remanded to jail.

FRANKFORT, Ky., Sept. 4.—Chief Justice Hiseberg gave out a proclamation this afternoon ordering a special election for Governor on November 6.

The proclamation reads as follows: "There being a vacancy in the office of Governor of the Commonwealth, an election to fill same is hereby called for Tuesday, November 6, 1900. Officials charged with duties touching elections will govern themselves accordingly. Done at Frankfort, Ky., this September 4, 1900. JAS. H. HAZELRIGG, "Chief Justice."

### Burrah for Bryan!

The following predictions were made by Richard Croker at New York Democratic headquarters: Bryan will carry Indiana. Ohio and Illinois will go Democratic.

The trust question will do it.

40,000.

Arkansas Republicans concede a majority of 40,000 for the Democratic ticket in that State, and the Democratic leaders think it will reach 50,000.

### Liberal.

Dr. McCormick, of the State Board of Health, did not make any charge for his services in waiting upon Gov. Goebel.

Arthur Goebel put in a claim of \$10,000 in behalf of the Doctor.

If Adam had gone to work in the Garden of Eden immediately after the creation on a salary of \$100 per day and all expenses paid, and had worked steadily at that rate including holidays and Sundays until July 1, 1900, saving every cent of his earnings, he would have been worth only \$219. 000,000 in round numbers or little more than half the amount at which a New York paper estimates the wealth of John D. Rockefeller, viz \$400,000,000.

"Have by some surgeon Shylock on thy charge to stop his wounds lest he bleed to death." People can bleed to death. The loss of blood weakens the body. It must follow that gain of blood gives the body strength. The strengthening effect of Dr. Pierce's Golden Medical Discovery is in large part due to its action on the blood-making glands and the increased supply of pure, rich blood it produces. It is only when the blood is impoverished and impure that disease finds a soil in which to root. The "Discovery" purifies the blood and makes it antagonistic to disease. When the body is emaciated, the lungs are weak, and there is an obstinate lingering cough, "Golden Medical Discovery" puts the body on a fighting footing against disease, and so increases the vitality that disease is thrown off, and physical health perfectly and permanently restored. It has cured thousands who were hopeless and helpless, and who had tried all other means of cure without avail.

Twenty-one one-cent stamps to cover expense of mailing only will obtain a copy of Dr. Pierce's Common Sense Medical Adviser, 1008 pages, in paper cover. Send thirty-one stamps if cloth binding is preferred. Address Dr. R. V. Pierce, Buffalo, N. Y.

Mr. Robinson not only offers to his patrons the best series of circus performances, the finest and most elaborately equipped show, and the largest and most comprehensive menagerie, but has added this year to his already superlative series of exhibitions the grand biblical spectacle of Solomon, his temple, and the Queen of Sheba, unquestionably the finest scenic, professional, terpsichorean and lyric spectacle that has ever invited patronage. Our citizens will soon have the opportunity of witnessing these grand exhibitions, for they are to be in this city on Tuesday, September 18.

The new cable between the United States and Germany is completed and will be open for business early next week. It was laid by the Commercial Cable Company and will be operated by that company in connection with the Postal Telegraph Cable Company. This is the first cable laid between the two countries.

We all desire to be happy, and the greater part of us desire to be popular. The only way to be happy is to find the forgiveness of our sins. To be popular, speak a pleasant word to all whom you meet. The sunny disposition is as welcome as sun-shine to flowers.

### Land For Sale.

I offer for sale about 210 acres of land lying on both sides of Black Water 4 miles from Frel, Morgan county. The most of it is heavily timbered good tobacco land and lays well for cultivation, and is the best improved tract in the county. The timber on it will more than pay for the land.

J. G. TRIMBLE.

Our Fall and Winter Stock is now ready for your inspection. We want every man, woman and child in this community to visit our store. You will find here the novelties as well as the standards, gathered from every market of this country. No house in this section carries so large a stock. No house in this section can boast as many fine brands in every department, and but few establishments in the larger cities carry as many fine goods as Walsh Bros. Our purchasing powers have always proved a boon to our customers, as we buy for spot cash, saving every cent that is possible, making our patronage sought for by the manufacturers, which also enables us to sell every article in every instance lower than competition; in short our store is a live one, watching every shore of new creations, taking every advantage where we can do better for our patrons, marching onward and upward with a steady increasing business, which we appreciate and protect with the best and newest the markets afford. We are exclusive agents for these celebrated brands, that have taken the highest awards on two continents. Knox Soft and Stiff Hats, six highest awards at Columbian Exposition. John B. **SHOES.**—Footsteps of many shoeless individuals are turning this way. There is something in this. We sell only dependable shoes. Selling them in connection with our other lines enables us to sell for a smaller margin of profit than regular shoe stores. Again, we handle such lines as Edwin Clapp, The Regent, W. L. Douglass, and Walsh Bros. own brands. We insist upon you seeing this fall's line.

**SHIRTS.**—It's a Shirt! but whether it's a Shirt, Underwear, Hosiery, Suspenders, Ties or Collars, it should have the greatest care in selection, for the trade, and in that selection you must be fully posted as to the styles and where to find them. Our Furnishing Goods Department is now complete, where you will find the following well-known brands for which we are sole agents: Manhattan Shirts, Auerbach's Neckwear, Wilson Bros. Hosiery and Suspenders, Wilson Bros. Fine Underwear, Eclipse Shirts. Our fall line is now complete.

**MEN'S, YOUNG MEN'S, and BOYS' LONG PANTS SUITS.**—Our stock of these garments consists of everything to be found in the finest workmanship and style. Our prices range from \$5 to \$25, and there is no fine tailor in the country that can produce a better fitting coat or trousers than we give with Stein Block and Hamburger Bros. fine suits. The style is "right up to now" in the smallest details, and you will always find that elegance, ease and comfort in these makes that no other ready-to-wear clothes possess. We want you to take a look at our fall stock before you buy.

**FROM \$5 OVERCOATS TO \$35.**—It's a little warm for Overcoats, but we are selling them already to the trade who know the good qualities of Stein Block and Hamburger Bros. Overcoats. Do not put off your purchases; there is always some styles that are more preferable than others, and those that are first get the pick and choice. We have the largest line of Overcoats ever shown in this city; not a style short or long that we can not show you, and mark it, if you want the correct cut and finish come here, as there have been many changes in the style since last season. Polite salespeople will take pleasure in showing you through.

**BOYS' KNEE PANTS SUITS.**—Our big stock of these goods are now ready for your inspection. All of the best wearing cloths and colors for the hard boy on clothes. Also the neatest stripes, checks and mixtures for dress suits for dainty fellows, cut in the 3-piece style—coat, pants and vest. Also the double-breasted suits. ## Ayer's Cherry Pectoral

There is nothing so bad for a cough as coughing. It tears the tender membrane of the throat and lungs, and the wounds thus made attract the germs of consumption. Stop your cough by using the family remedy that has been curing coughs and colds of every kind for over sixty years. You can't afford to be without it.

loosens the grasp of your cough. The congestion of the throat and lungs is removed; all inflammation is subdued; and the cough drops away.

Three sizes: the one dollar size is the cheapest to keep on hand; the 50c. size for coughs you have had for some time; the 25c. size for an ordinary cold.

"For 12 years I had a very bad cough. The doctor said it was a sign of consumption. Then I tried Ayer's Cherry Pectoral and it cured me. I bought a bottle and a half for my wife. Write the Doctor. If you have any complaint, please send me the name of the medicine you are using. I will send you a bottle of Ayer's Cherry Pectoral free of charge. Write to J. C. Ayer, Lowell, Mass."

**Disgraceful.**

A dispatch of August 30, says: The atrocities perpetrated by soldiers of the allied armies in the Pei Ho valley, between Taku and Peking, are pronounced a disgrace to the civilization of the Christian nations represented; robbery, ravaging and murder are continuous. With few exceptions every town and village in the section traversed by the army has been looted. Break their necks.

It has been demonstrated by experience that consumption can be prevented by the early use of One Minute Cough Cure. This is the favorite remedy for coughs, colds, croup, asthma, grippe and all throat and lung troubles. Cures quickly.

## GOVERNOR OF OHIO

### Would Protect W. S. Taylor, Refugee, for Party Sake.

Gov. Nash has urged G. V. Taylor of Kentucky to reconsider his decision and accept the invitation some time ago extended to him by the republican speakers' bureau to make a few speeches in Ohio.

Gov. Nash paid a personal visit to Gov. Taylor at Indianapolis, and assured the former Kentucky claimant for the gubernatorial chair that if he accepted the invitation and paper were issued for his extradition to Kentucky to answer to the indictment for his being an accessory to the shooting of G. V. Gabel, the Ohio executive would follow the example set by Gov. Mount of Indiana and refuse to honor the request.

Gov. Taylor's friends urge him to accept the offer to gain the moral effect that the action of two great states would necessarily have in establishing his innocence of the charge in the mind of people in other states. Louisville Commercial, R. publican.

### To Democracy.

Mr. Bryan and Senator Wellington opened the Maryland campaign at Cumberland last Tuesday with speeches to a large audience. Senator Wellington formally announced his withdrawal from the republican party, his address evoking great applause from the Democrats and a counter-demonstration in the shape of hisses from his former party associates. On the journey to Cumberland Mr. Bryan spoke at Zanesville and Cambridge, O., and also made brief speeches at seven or more towns in Maryland and West Virginia. After the meeting at Cumberland, where he spoke last night, following Senator Wellington, he also addressed an overflowed meeting outside of the hall.

So far as the returns show in the Kentucky election last year the Brown Republicans cast only 12,000 votes, while the black Republicans cast 193,000. Yet in the congressional election this year the Brownies have hogged the nomination pessimism in the Second and Third districts, made a nearly successful effort to get away with the fruit in the Fourth district, are putting in claims in the First, Sixth and Seventh districts and are making life a burden to the regular republican nominee in the Fifth district. It is a case of the educated pig in politics.—Louisville Times.

### How Bright's Disease Starts.

Indigestion, biliousness, blood poisoned with urea and uric acid (which should have been excreted by the kidneys), rheumatic pains in nerves and joints, causing irritation of the kidneys, then pains over the small of the back, mark some approach of Bright's disease. Do not delay taking Foley's Kidney Cure, for it makes the kidneys right.

Sold by F. C. DIERMAN, druggist.

### State Bankers' Association.

The Kentucky State Bankers' Association will hold its annual meeting in Lexington on Wednesday and Thursday, Sept. 26 and 27. Owing to the death of the President, E. D. Sayre, of Lexington, a successor will have to be elected.

### Coal Exports.

Exports of coal from the United States during the year 1900 are likely to reach \$30,000,000 in value, against \$10,000,000 in 1890 and \$6,000,000 in 1880. The figures of the Treasury Bureau of Statistics show that the exports of coal from the United States during the seven months ending with July, 1900, are 50 per cent. in excess of those during the corresponding months of last year and double those of the corresponding months of 1895.

### THE NEW YORK WORLD.

TERICE-A-WEEK EDITION.

Almost a Daily—At the Price of a Weekly

The most widely circulated "weekly" newspaper in America is the Terice-A-Week edition of the New York World, and with its circulation of over 1,000,000 copies, it is the largest paper of its kind in the world. It is issued every other day, and is to all purposes a daily.

Every week each subscriber receives 18 pages and often during the "busy" season 24 pages each week.

The price is only \$1.00 per year. It is virtually a daily at the price of a weekly.

Its news covers every known part of the world. No weekly newspaper could stand alone and furnish such service.

The Terice-A-Week World has at its disposal all of the resources of the greatest newspaper in existence—the wonder of modern journalism—"America's Greatest Newspaper," as it has been justly termed.—The New York World.

Its political news is absolutely impartial. This fact will be of especial value in the Presidential campaign coming on.

The best of current fiction is found in its columns.

These are only some of the reasons: there are others. See it and see them all.

We offer this unequalled newspaper and THE ADVOCATE together one year for \$1.65.

The regular subscription price of the two papers is \$2.00.

Lecture Course.

Hon. Geo. R. Wendling, Gov. Rob Taylor, Hon. Al Taylor, Hon. Luther Mansion and Dr. Homer T. Wilson, the five greatest platform orators now before the public, have been secured to deliver their lectures in this city during the coming season. Mr. Wendling opens the course in October. This is the greatest literary treat ever offered to our people, and packed houses should greet each lecturer.
